EKU Severe Weather Plan: When faced with a severe weather event, regardless of an official University announcement, the determination of safe travel or other unforeseen situations rests with the individual. In the event of severe weather that might hinder in-person operations, **Plan A will shift academic instruction and work to a remote/virtual environment for all students and employees.** In the event of severe weather that hinders both in-person and remote operations, such as in the case of a significant loss of power on campus that prohibits the function of electronic communication systems, **Plan B will cancel all in-person and remote/virtual instruction and suspend University operations.** The Weather Plan is available at <https://go.eku.edu/WeatherPlan>.
