The following questions relate to data CACREP is gathering that will inform the development of new services, policies and/or requirements. This data will be aggregated and will not be identifiable to any program.

Does your counselor education unit operate on a cohort model?

- ☐ Yes for Masters program
- ☑ **No for Masters program**
- ☑ **Yes for Doctoral program**
- ☐ No for Doctoral program

If yes, how many years are expected to complete your Masters program?

Approx. 3 years [despite not using a cohort model]

If yes how many years are expected to complete your Doctoral program?

Approx. 4

What is the formula you use when you calculate program completion rates?

No formula used. Obtain graduation data from the Graduate School/Registrar's office.

In calculating your completion rate, do you include students who:

- ◯ have withdrawn from graduate school completely?
- ◯ switch from one counseling specialty area to another (i.e., MCFC to CMHC)?
- ◯ transfer to another non-counseling graduate program?
- ◯ are dismissed from the program for academic reasons?
- ◯ are dismissed from the program for non-academic reasons?
- ⦿ **Comments**

Students do not always inform us of their decision or need to withdraw from the program, transfer elsewhere, etc., so we therefore base completion rates on graduation data obtained from the university.

What adjustments have you made to your program, if any, due to DEI requirements at your institution or in your state?

None.

REMINDER: Programs/Student Outcomes must be made publicly available on your program's website. The information to be posted includes the following four data points regarding each of your accredited specialty areas: (a) number of graduates in the past year, (b) completion rate, (c) licensure or certification examination pass rate, and (d) job placement rate of students/graduates. Posting a URL link to your completed Vital Statistics Survey report will satisfy this requirement.

Once this data has been posted, send the URL link to the location on your website via email to cacrep@cacrep.org. If your program submitted a Vital Statistics Survey last year and you have previously posted program outcomes on the program website, you need to update your program outcomes report to reflect the most current data. If the URL link to the outcomes report changes when you update this information, you need to send a copy of the new URL link via email to cacrep@cacrep.org.

You will NOT have an opportunity to receive a copy of your completed survey later. If you want a copy of your completed report, please ensure that you click the arrow at the bottom of the page and download the PDF.
