## ***Counselor Education Practicum/Internship***

### ***SC Site Supervisor Requirements and Responsibilities***

#### **Requirements**

- A currently practicing school counselor with a Master's degree in school counseling
- Active/current School Counselor certification through Kentucky's EPSB
- 2+ years post-Master's degree experience in school counseling practice
- Relevant training in counseling supervision (e.g., Specialized training or workshops, professional conference sessions, KY LPC Board training, CTP site supervisor training, etc.)
- Knowledge of EKU's expectations, requirements, and evaluation procedures for students

***Note:*** Any site supervisor with any current or prior license/certification disciplinary-related action and/or suspension may be deemed ineligible to provide site supervision.

#### **Responsibilities**

- Clearly and regularly communicate with their students regarding performance expectations and needs.
- Provide needed clinical experiences, including assigning clients to their caseloads and ensuring they have all relevant education and tools needed for them.
- Be the primary support for students, including monitoring their performance and wellness and intervening when needed.
- Be accessible to students, especially when students are present at the site.
- Monitor and ensure all student paperwork is completed, submitted, and signed as needed and on time.
- Complete weekly supervision, provide regular verbal and/or written feedback, and complete midterm and final evaluations.

#### **Length of Practicum/Internship**

Fall/Spring: 16 Weeks

Practicum: 100 hours required during one semester (40 direct/60 indirect)

Internship: 600 hours required over two semesters (240 direct/360 indirect)
