**Program Disclosures**

As articulated in Standard I.B.2, programs may have "admission and employment policies that directly relate to affiliation or purpose" that may be faith-based or secular in nature. However, such policies and practices must be disclosed to the public. Therefore, programs are asked to respond to the following question.

| Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution's affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values. | _____ **Yes**<br><br>__X__ **No** |

**Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:**

Students who enter the program with a master's degree from another university. Students who have completed prior graduate work in psychology may petition the doctoral program to transfer those credits towards the 120-hour Psy.D. requirements. Please see https://ekupsyd.eku.edu/tuition for a description of this process. Transfer credit may require the student to take fewer courses at EKU, but generally does not have much bearing on the student completing the program in less than 5 years.
